THE MACKENZIE WAY

The MacKenzie Park Lawn Bowls Club maintains a polite, courteous, considerate and respectful attitude in its day-to-day activities. The Club environment is a friendly and supportive one, providing a pleasant place to be for every member. The club treasures an atmosphere where members treat one another with respect, and observe the highest standards of good sportsmanship.

We know that a positive and enthusiastic attitude fosters camaraderie. At all times we are careful not to do or say anything that will be offensive or will hurt other bowlers. On the greens, all members of a team encourage fellow bowlers by positive reinforcement, and never subject them to criticism, either clear or implied by the use of body language. Suggestions for improvement in play, especially for newer members, are made in private.

We follow Club rules and policies which allows smooth running of the Club, and volunteer to assist in all the functions of the Club. At the same time, we value the efforts of other volunteers and thank them for all they do on our behalf. We bowl for friendship, for sportsmanlike competition, and for the joy of it.
